VIRGINIA BEACH, Va. — Beach Municipal Federal Credit Union was recognized today for its extraordinary efforts to encourage Americans and support its members in saving money during America Saves Week and Military Saves Week.

“At a time when just two in five American households report making good or excellent savings progress, Beach Municipal Federal Credit Union went above and beyond to encourage and support its community to save,” said George Barany, America Saves Director. “This year’s designees are the leaders in their field at responding to the savings crisis by working directly with American families to open and add to savings accounts. Beach Municipal Federal Credit Union doesn’t just tell people why it’s important to save, it helps them do it.”

“We highly encourage the concept of ‘paying yourself first’ and placing payments to your savings account at the same priority level as paying bills,” said Geri Metzger, Beach Municipal Federal Credit Union’s CEO. “It is the only way to truly break free from paycheck-to-paycheck living.”

Beach Municipal Federal Credit Union was one of 17 credit unions, 15 banks and five military-affiliated organizations recognized around the world.

America Saves Week is coordinated by [America Saves](#) and the [American Savings Education Council](#).
